

Catholic Charities Caregivers Kinship Program
Kin and Kid Outreach and Support Program
in collaboration with The NYS Kinship Navigator and
The Osborne Association is pleased to present:

Caring for Children of Incarcerated Parents: Maintaining Connections, Promoting Positive Outcomes & Supporting Kinship Caregivers

This training will provide information about kinship families who care for children of incarcerated parents, help build understanding and awareness about the children's circumstances, highlight strategies and techniques for developing effective helping relationships, and provide skills for understanding and responding to their needs. The training will review laws related to kinship care in New York State, with a special focus on kinship laws related to incarcerated parents, including powers of attorney, legal custody, guardianship, foster care, visitation, KinGAP, public assistance, and other issues.

Thursday, March 8, 2012
